

PRAFUL RATHORE

AI Content Creator | Video & Creative Production

Chandigarh, India | prafulrathore11@gmail.com | +91 7879484950

PROFILE SUMMARY

AI Content Creator with 4+ years of experience producing high-impact video, photography, and AI-generated creatives for e-commerce and export brands. Skilled in using generative AI tools (Gemini, ChatGPT, Claude, Higgsfield.ai) alongside industry-standard editing software to create reels, posters, product catalogs, and product photography that drive engagement and sales. Strong foundation in photography and visual storytelling, with a specialization in AI-assisted content workflows.

WORK EXPERIENCE

- AI Content Creator | Desi Dori Exports

2024 - Present

 - Create AI-generated and edited reels, videos, and posters for product marketing and social media campaigns.
 - Design and produce product catalogs and marketing creatives using AI tools and design software.
 - Handle end-to-end product photo editing and video editing to maintain a consistent, premium brand look.
 - Leverage AI platforms (Gemini, ChatGPT, Claude, Higgsfield.ai) to speed up ideation, scripting, and creative generation.
